Peter has completed and returned these samples to the safe. I have notified Brian Coen of Quincy PD that it is ready to be picked up. He will be here this afternoon or on Monday.

Debra the DA on this case, is going out of the country and asked if we would call Detective Coen when the results are ready. She would also like the CV for the chemist who did the retest and the lab packet emailed to her when they are ready so that she has them available when she comes back. Thanks. Donna
